ACT ONE

SCENE 1

A lone spotlight hits a giant Necronomicon at the top of the stage. The book opens on its own, as the text, written in blood, fills the page.

PROFFESSOR: (voice over) Legend has it that it was written by the Dark Ones. Necronomicon ex Mortis, roughly translated, “Book of the Dead”. The book served as a passageway to the evil woods beyond. It was written long ago, when the seas ran red with blood. It was this blood that was used to ink the book. In the year 1300 AD, the book disappeared.

SONG: CABIN IN THE WOODS

ALL:
We’re all jammed in the car
And we’re going really far
Driving deep into the trees
With hot dogs, chips, and cheese

To make the week go quicker
We packed a ton of liquor
Rye and Tropicana
We’ll go totally BANANAS!

Spring break vacation is just bling bling
Cause something in this musty air makes us want to sing

Cabin in the Woods (oooh)
A Cabin in the Woods (yeah)
We’re five college students on our way to an old
Abandoned cabin in the woods (oooh yeah)

Spoken

ASH: Well kids, after a three-hour drive, I can officially say, we’re here.

SHELLY: I don’t see any cabin in the woods.
ASH: That’s because it’s in the woods. The woods just up there. But this is as far as the road goes. In order to get to the cabin, we have to cross the footbridge. It is the only way to the cabin. The only way.

LINDA: Oh Ash, as much as I love working with you every day at S-Mart, I think this vacation will be even better.

ASH: I couldn’t agree more, Linda. Sometimes it’s healthy for a boyfriend and girlfriend to leave their place of employment and just have some fun as a couple, in a non-S-Mart related setting (Linda crosses the bridge).

CHERYL: Thanks for bringing me along, Ash.

ASH: Please, Cheryl. Would it be spring break vacation if I didn’t drag along my lonely sister? (Cheryl crosses the bridge).

SHELLY: Hey Ash, thanks for letting me come on this trip.

ASH: Well, Shelly, if you were good enough for Scott to pick up drunk in a bar three days ago, then I just know you’re good enough for me to spend my only holiday of the year with (Shelly crosses the bridge).

SCOTT: This cabin deal better get me laid.

ASH: I’m sure it will Scotty. I’m sure it will.

SCOTT: (to the girls, while crossing bridge) Hey, wait for me! Shit!

ASH:
All my friends are here
For the best spring break of the year
Away from school and from S-Mart
For a week way off the charts

LINDA:
A holiday with Ash
All that I’d ever ask
He’s so cute and thin
And that’s why I love him

SCOTT:
This will be just like camp
But with a slutty tramp
In a few hours you will see me
Doing the nasty in a tree

SHELLY:
Scott’s looking to get busy
But fresh air makes me dizzy
I’m so his perfect girl
Oh look, there goes a squirrel!

CHERYL:
A week up in the woods of pure tranquility
A chance for me to rest in a nice facility
I came up to this cabin to read and sleep and bake

SCOTT:
Hope out headboard rattlin’ don’t keep your prude ass awake!

ALL:
Cabin in the Woods (oooh)
A Cabin in the Woods (yeah)
We’re five college students on our way to an old abandoned cabin in the woods (oooh yeah)

Spoken

LINDA: Hey Ash! What’s this place like anyway?

ASH: Well, it’s an old place. A little run down, but it’s right up in the mountains. And the best part is, we’re staying there for free.

LINDA: Yeah, why are we getting this place for free?

CHERYL: What kind of landlord rents cabins for free?

SCOTT: No landlord rents cabins for free. That’s why we’re not renting it.

LINDA: What?

ASH: Yeah, I forgot to tell you girls. We’re not exactly renting this cabin.

SCOTT: We’re breaking in.

CHERYL: No!

ASH: Don’t worry. No one will find out. At this time of the year, the owners won’t be there.
SHELLY: You mean, we’re breaking into an empty cabin in the woods? I don’t like the sounds of this.

SCOTT: What can possibly go wrong with five college students breaking into an abandoned, secluded cabin in the woods, where no one knows where we are?

SHELLY: Well, when you put it that way!

ASH:
This trip will be wacky fun

LINDA:
Seven days to snuggle my hunny bun

SHELLY:
A week of drinking

SCOTT:
And premarital sex

CHERYL:
And tonight, I’ll make some snacks out of Hershey bars and Chex!

ALL:
Listen to us now and make no mistake
We’re gonna have fun cause it’s spring break
We’ll pour, we’ll score, we’ll fall flat on the floor.
We’ll do all this and a whole lot more --- In our Cabin in the Woods (oooh)
A Cabin in the Woods (yeah)
We’re five college students on our way to an old abandoned Cabin in the Woods

ASH AND LINDA:
We’re five college students on our way to an old abandoned Cabin in the Woods

SCOTT AND SHELLY:
We’re five college students on our way to an old abandoned Cabin in the Woods

CHERYL:
We’re five college students on our way to an old
abandoned Cabin in the Woods

Exit all.
SCENE 2

Inside the cabin. The group enters.

ASH: So, this is the cabin in the woods. Isn’t it great?

EVIL FORCE: Join us.

CHERYL: Did you hear something?

SCOTT (flicking light switch): No.

Scott runs back to the bedrooms.

LINDA: Look at this place. Oh, it’s fantastic, Ash.

ASH: Sure is, Linda.

SHELLY: Ohh windows... fancy.

Scott returns.

SCOTT: Wow. You should see all the bedrooms back there. They’re fuckin’ awesome. Me and Shelly call the one with the big bed.

SHELLY: Oh Scotty! Good thinking.

SCOTT: Well Shelly, when I’m with you, one of us has to be doing the thinking.

CHERYL: I feel funny about being here. What if the people who own the place come home?

ASH: They’re not gonna come back. Even if they do we’ll tell the car broke down or something like that.

LINDA: With your car, they’d believe it.

SCOTT: Stop worrying Cheryl. Why don’t you go read or something?

CHERYL: Maybe I will.

Cheryl pulls our Bruce Campbell’s book, “If Chins Could Kill.”

SCOTT (to Shelly): What’s her problem?

SHELLY: I know. She thinks she’s so smart just ‘cause she can read.
ASH: This is the life. All the important people in my life here together. My girlfriend. My sister. My best friend. And of course you Shelly, who I only just met. But still, I couldn’t of four other people in the world I’d rather spend my vacation with. I would very much like to make a toast for all this evening. (*holding up a glass*) As a Greek friend of mine once said, “Oh nis ns tu tu tarine.”

LINDA: Which means?

SCOTT: Party down!

*Suddenly the cellar door flings open on its own.*

ASH: What was that?

LINDA: Whatever it is, it’s still down there.

CHERYL: I don’t like cellars. Let’s just close it up. It’s probably just some animal.

CHERYL: Well then maybe it was the wind.

SCOTT: The wind? I though what you said before was stupid. But now that is the stupidest thing I’ve ever heard. What a stupid bitch!

LINDA: There’s definitely something down there. And it probably is just some animal. Ash, remember we had that racoon in the basement at S-Mart?

ASH: Remember? I had to use a broom, a laundry hamper and a Swifter just to get rid of it. But don’t worry loyal S-Mart shoppers, we removed the animal and S-Mart was once again rodent-free.

SCOTT: Well you guys are probably right. Probably is just some animal. Here Cheryl, why don’t you go down ‘n check, make sure?

CHERYL: Scotty! I’m not going down there!

SCOTT: Ha ha ha! What a stupid bitch!

ASH: Come on Scott; let’s go see what that was.

SCOTT: Okay, okay... this looks like a job for the guy with the big balls.
SHELLY: Be careful.

ASH: Back in a minute.

*Scott and Ash climb down into the cellar.*

SHELLY: They’re just kidding around... aren’t they?

CHERYL: Guys, stop screwing around. Are you okay? Say something.

LINDA: Ash!

SHELLY: Scotty!

*Scott jumps up and scares everyone.*

SCOTT: BOO!! Ha ha ha, you dumb assholes. God damn what a bunch of pansies.

ASH: Look at all the cool stuff we found. Help me up with it.

SCOTT *(taking items from Ash)*: Check it out. An axe, a gun.

ASH: I bet it still shoots.

SCOTT: Probably does.

*Shelly holds the barrel up to her face. Scott pulls it away.*

SCOTT: Hey do you guys sell these at S-Mart?

*Scott holds up a dagger.*

ASH: Ancient daggers? No.

LINDA: What else you got there, Ash?

ASH: *(Ash looks in the basket and sees the book)* Oh God. Look at this book.

LINDA: Creepy.

SHELLY: Super creepy.
ASH: It’s not even in English.

CHERYL: Guys, we shouldn’t be going through this stuff. It’s not ours.

SCOTT (mockingly): We shouldn’t be going through this stuff. It’s not ours. Shut your pie hole Cheryl! Goddamn. You’re always ruining our fun. Hey look – a tape recorder. Ok, shhhh... let’s see what’s on it.

*Scott plays the tape recorder.*

PROF (On tape): This is Professor Raymond Knowby, Department of Ancient History, log entry number two. I believe I have made a significant find in the Castle of Candar, having journeyed there with my daughter Annie and Associate Professor Ed Getly. It was in the rear chamber of the castle that we stumbled upon something remarkable; Necronomicon Ex Mortis, roughly translated, the “Book of the Dead.” The book is bound in human flesh and inked in human blood. I brought the book to this cabin where I could study it undisturbed. It was here that I began the translations. The book speaks of a spiritual presence; a thing of evil that roams the forests and the dark bowers of man’s domain. It is through the recitation of the book’s passages that this dark spirit is given license to possess the living. Included here are the phonetic pronunciations of those passages. *Cunda astratta montose eargrets gutt nos veratoos canda amantos canda* –

CHERYL: Shut it off!

PROF: *Canda*

CHERYL: Shut it off!

PROF: *Canda*

CHEYL (screaming): Shut it off!!!

*A tree smashes through the window. Cheryl screams and exits to bedroom.*

LINDA: Cheryl, don’t go! It was just the wind. Scott, how could you?

*Linda follows Cheryl into the bedroom.*

ASH: Scott, why did you keep playing the tape? You saw it was upsetting Cheryl. You just don’t know when you’re taking something too far.

SCOTT: It’s just a joke! Jesus Christ. I was just screwing around.
ASH: Still, you scared her half to death.

SCOTT: So the wind blew a tree through the window. Ohhhh, scary. Geez, no one around here knows how to have any fun. Come on, Shelly let’s go scare Cheryl some more by making the windows rattle in our bedroom. And when I say make the windows rattle... I don’t mean by some unstable weather pattern... I mean we’ll me having sex.

SHELLY: Okay Scotty.

*Scott and Shelly exit.*
SCENE 3

Linda enters.

ASH: Is Cheryl all right?

LINDA: Yeah, she’s fine. She was just a bit freaked out by that tape.

ASH: That’s my sister for you, always running scared of old audio recordings.

LINDA: Ash, I know she’s been acting up a bit, but it was still very nice of you to invite your sister up this week.

ASH: Honey, you talked me into it.

LINDA: I know, but still. It was very considerate of you. You’re a kind and sweet and generous person, and Cheryl’s lucky to have you.

ASH: Listen; let’s forget about Cheryl. We’re here in this cabin. Alone. This should be time for us.

LINDA: You’re right. It is pretty romantic up here.

ASH: What do you say we have some champagne, huh baby? After all, I’m a man and you’re a woman... least, last time I checked.

LINDA: Okay.

ASH: I have something else for you too.

Ash gives Linda a jewelry box. Linda opens it to reveal a necklace.

ASH: What do you think kid?

LINDA: Oh Ash, I love it. Would you put it on?

ASH: Oh yeah, sure. I was going to give it to you before we came up here, but things got so hectic, this is really the first chance we’ve had to be alone.

LINDA: Oh Ash! It’s beautiful. I really love it. I promise I’ll never take it off as long as I live. Who ever thought when I took that job at S-Mart that I would meet the man of my dreams?

ASH: Well, I didn’t think I’d fall in love with one of my co-workers either. Nothing about that in the S-Mart employee manual.
SONG: HOUSEWARES EMPLOYEE

ASH:
Little did I know that day
When I dropped off my resume
At the local S-Mart store
That another employee I’d fall for

LINDA:
My job was in the checkout aisle
S-Mart service with a smile I hated work, it was a bore
But all that changed when you walked through the door

ASH:
I was assigned to aisle three.

LINDA:
And that is where you fell for me.

ASH:
A love so strong it had to be

LINDA:
Perfect retail...

ASH AND LINDA:
Harmony
I have to ask a question to the gods above
How were we deemed worthy of this perfect love?
I’ll ask the trees, I’ll ask the sky
I’ll ask the whole wide world

ASH:
How did a Housewares Employee land the perfect girl?

LINDA:
How did the perfect girl land a Housewares Employee?
I could barely focus on my checkout line
Your polyester shirt always on my mind
Fantasies took over me
I’d forget to scan items and give ‘em away for free
ASH:
How could I concentrate on housewares?
Who cares about blenders when you’re right there
Our roles reversed there is no doubt
Cause I was the one who was checking you out

LINDA:
I had a major crush on you

ASH:
When I was near you my love grew

LINDA:
Finding love at work, must have been fate

ASH:
It’s better than meeting at Elimidate

ASH AND LINDA:
I have to ask a question to the gods above
How were we deemed worthy of this perfect love?
I’ll ask the trees, I’ll ask the sky
I’ll ask the whole wide world

ASH:
How did a Housewares Employee land the perfect girl?

LINDA:
How did the perfect girl land a Housewares Employee?
ASH:
Stocking the shelves
Was all I thought would be
But finding my true love at S-Mart
That makes this job so groovy

LINDA:
I have to ask a question

ASH AND LINDA:
to the gods above.
How were we deemed worthy of this perfect love?
I’ll ask the trees, I’ll ask the sky
I’ll ask the whole wide world
ASH:
How did a Housewares Employee land the perfect girl?

LINDA:
How did the perfect girl land a...

ASH AND LINDA:
Housewares Employee?

ASH (Spoken): Gimme some sugar baby.

Ash and Linda kiss and exit together. Cheryl enters, passes the couple, and heads toward the kitchen.
SCENE 4

EVIL FORCE: Join us! Join us!

Cheryl pops her head up from behind the counter.

CHERYL: Hello?

EVIL FORCE: Join us!

She knows the sound is coming from outside. She goes to the door. She pauses and then goes for the door again.

CHERYL: Now mother always said that whenever you hear a strange, frightening, and potentially life-threatening ghostly chant coming from the dark woods that there’s only one thing you should do... not wake the others and go investigate it alone!

Cheryl exits.

CHERYL: Hello? Is there anyone out here? All I see are these trees.

EVIL FORCE: Join Us!

CHERYL: Hello?

EVIL FORCE: Join Us!

CHERYL: I heard you. I heard you before.

EVIL FORCE: Join Us!

CHERYL: I know someone is out here.

EVIL FORCE: Join Us!

Cheryl is attacked by the Evil Trees.

BLACKOUT
SCENE 5

Inside the cabin. Ash, Linda, Scott and Shelly are eating brownies. Cheryl bangs on the door from outside.

CHERYL (off stage): Ashley! Open the door! Ashley! Ashley!

Ash opens the door. Cheryl enters, beaten and bruised, with her clothes ripped to shreds.

ASH: Cheryl?

SCOTT: What the hell happened to you?

ASH: Are you okay?

LINDA: What’s wrong?

SHELLY: Her name’s Cheryl, right?

ASH: Cheryl, did something in the woods do this to you?

CHERYL: No! It was the woods themselves! They’re alive Ashley! The trees! They’re alive.

LINDA: Ash, why don’t I take her in the back room, so she can lie down.

CHERYL: I’m not lying down! I want to get out of here. I want to leave this place right now. Right now Ashley!

SCOTT: Wait a minute. I sure as hell ain’t leaving anyplace tonight.

SHELLY: Cheryl.

LINDA: Cheryl.

SCOTT: Come on Cheryl; is now really the time to be acting like a stupid bitch?

ASH: Cheryl, there’s nothing out there. Trees do not attack people.

CHERYL: Ashley! Will you drive me in to town or not?

ASH: What? Right now? Look, sure, sure, I’ll take you into town, but just listen to what you’re saying.

CHERYL: I don’t care how it sounds. I wanna get out of this place right now.
ASH: Okay, maybe you could stay somewhere in town tonight. Come on let’s go to the car.

*Scott and Shelly groan in protest.*

ASH: Don’t worry everyone, I’ll get her in a motel and be back in no time. Our vacation will resume as planned momentarily.

LINDA: This is very sweet of you Ash. When you get back, I’ll bake you some cookies.

ASH: Sounds like a plan. Come on Cheryl.

*Ash and Cheryl exit. Seeing that they are alone, Scott motions to the two girls for a menage-a-trois.*

LINDA: No.

*BLACKOUT*

*Outside the cabin. Ash and Cheryl are walking through the forest.*

ASH: Don’t worry; you’ll be in a safe hotel in no time. And maybe then you can calm down, purchase a film on Spectra vision, raid the mini-bar, steal as many little soaps and shoe horns you can fit in your bag...

CHERYL: You believe me, don’t you Ashley? You believe that there’s something out here.

ASH: Well it doesn’t matter if I believe you. I’ll take you to town and leave it at that. We just have to cross this bridge...

*The lights come up on the footbridge, covered in caution tape.*

CHERYL: The bridge!

ASH: How did this happen? It’s been destroyed. There’s no way out of here.

*SONG: IT WON’T LET US LEAVE*

CHERYL:
Can’t you see
Why don’t you believe
It won’t let us leave,
It won’t let us leave.
Listen to me
Why do your eyes deceive
Finally believe
It won’t let us leave,
It won’t let us leave.

Ash hugs Cheryl.

BLACKOUT
SCENE 6

The airport.

AIRPORT ANNOUNCER: Flight 86A the hourly shuttle from Cairo has just landed in Terminal One. Once again, that’s Flight 86A, the hourly shuttle from Cairo. Terminal One.

Annie enters carrying luggage. Ed is waiting for her.

ANNIE: Ed!

ED: Annie! How was –

ANNIE: How was my flight? Not great. Spiderman was the in-flight movie. And yeesh! Let’s just say that was poorly directed. But let me tell you about my expedition. I found the missing pages from the Book of the Dead.

ED: What condi –

ANNIE: What condition are they in? Take a look. They haven’t aged a day in 3000 years. Maybe longer.

ED: When do –

ANNIE: When do we begin the translations? Tonight. I hope everything is all set with my father. I haven’t spoken with him in a week. There’s no phone in the cabin. We’ll take your car; it’ll take us about an hour to get there.

ED: You hinted –

ANNIE: Yes. I did hint in my telegram that my father was on to something in the first part of his translations.

ED: What –

ANNIE: What was it he found in the Book of the Dead? Probably nothing. But just possibly, a doorway to another world.

ED: There –

ANNIE: Thanks for pointing that out Ed. There does appear to be a slight tear in my sleeve.

ED: You –
ANNIE: You’re right. We can fix it when we get to the cabin. *(Annie and Ed begin to exit).*

ED: I –

ANNIE: Oh, I missed you too Ed.

ED: G –

ANNIE: No, I’m glad we finally had a chance to talk.

*Annie and Ed exit.*
**SCENE 7**

*Nighttime, in the cabin.*

Ash is playing the tape recorder by himself in the corner. Cheryl is looking out the window. Linda is holding a board game.

PROF (*On tape*): It’s only been a few hours since I’ve translated and spoken aloud the first of the demon resurrection passages from the Book of the Dead. May God forgive me for what I have unleashed unto this earth. I have seen the dark shadows moving in the woods and I have no doubt that whatever I have resurrected through this book is sure to come calling ... for me.

LINDA: Ash honey, why don’t you stop playing around with that tape. Why don’t we play a game?

ASH: In a little bit, baby.

LINDA: Okay. Scott, Shelly, you guys wanna play a game?

SCOTT (*off stage*): Coming.

*Scott enters, followed by Shelly.*

SCOTT: What are we playing?

LINDA: Let’s play Guess the Word.

SHELLY: How do you play that?

LINDA: Well, I’ll give you some clues and you try to guess the word.

Shelly looks confused.

LINDA: Okay, first word. It’s big. It’s green. It goes in the water.

SHELLY: Toaster.

LINDA: Close. Ummm... Blank [Dundee](Dundee) It rhymes with rockodile. Starts with a “C”.

SHELLY: Coaster.

LINDA: No. No, the word was Crocodile. Okay next card. It’s when you’re playing football and you score, it’s a –
SHELLY: A rouge!

CHERYL: A touchdown.

LINDA: Right, Cheryl. Okay, when you eat lunch on a blanket in a park, it’s a...

CHERYL: Picnic.

LINDA: Okay, when I go –

CHERYL: Butcher.

LINDA: Right. Okay, it’s a –

CHERYL: Vitamin C.

*They all look at each other strangely. Linda goes through the cards quickly.*

CHERYL (*continuing*): Muscle, porridge, dental floss, quintuplets, hamster.

SCOTT (*buzzing again*): She’s been studying the cards. Nobody’s that good at Guess the Word.

LINDA: Cheryl, is everything okay?

*(Horn hits.)*

Cheryl turns and reveals she’s a demon.

**SONG: LOOK WHO’S EVIL NOW**

CHERYL:
Why have you disturbed our sleep?
Awakened us from our ancient slumber?
You will die! Nightmare is before you.
Like others before you, you’re gonna tumble.

One by one
We’re gonna take you.
One by one
Nothing you can do
One by one
You’ll surely fall
One by one
We’re gonna kill you all.
Now I’ll ask you a question, not where or why or how!
But WHO?
Look who’s evil now?

Possessed Cheryl collapses on the floor.

SCOTT: What the hell happened to her? I mean, I’ve seen games of Guess the Word bring out the worst in people, but that’s fucking ridiculous.

ASH: Guys, I think that when we played that tape, some evil force must have been awakened that took over Cheryl’s soul and made her a demon.

SCOTT: Thanks for the update, CSI Miami. I think the rest of us figured that one out already.

LINDA: Did you see her eyes? Oh Ash, I’m scared. What’s wrong with her?

ASH: I’m no doctor, but she looks sick. Let’s put a blanket on her.

Ash pus the blanket on her and just like James Brown she hops up and throws the blanket off. The music kicks in again. (horn hits)

CHERYL:
Whooaaaaaaaaaa!! Sock it to me baby!
Look who’s evil
Look who’s evil
Look who’s evil now

I said look who’s evil
Look who’s evil
Look who’s evil now

I heard you suckers mocking me and calling me a prude
Let’s see if you’re still laughing when I rip out your fallopian tubes
I’ll twist your funbags and beat your brown eye blue
Then I’ll smash your sack and make testicle fondue
Just try and fuck with me
I’ll show you where your grave is
If being evil’s cool
Consider me Miles Davis
Now I’ll ask you a question, not where or why or how
But WHO
Look who’s evil now?
(spoke) Now I told you earlier I would take you all out one by one, and I’m not one to make false promises, so kids, let’s kick it!

First Ash,
I’ll whoop your ass
Then Scott,
I’ll bust your nut
Then Shelly,
I’ll slash your belly
Then Linda,
I’ll stick a pencil in ya!

Cheryl stabs Linda in the ankle with a pencil.

LINDA (spoken): My ankle! I can’t walk.

ASH: Take her to the bedroom and make sure she’s okay.

CHERYL (sings):
You can’t stop me
You can’t stop me
You can’t stop me now

I say you can’t stop me
You can’t stop me
You can’t stop me now

Scott and Ash grab Cheryl as she sings and throw her in the cellar. Ash and Scott stay on the trap door to hold it down.

CHERYL: You didn’t stop me. You didn’t stop me. You just delayed me momentarily. Who’s the stupid bitch now Scotty? Who’s the stupid bitch now?

They slam the trap door shut.

SCOTT: This is freaking me out Ash.

ASH: Me too buddy. Me too. I mean my sister just turned into a demon.

SCOTT: And a pretty fuckin’ foulmouthed demon as well. Are we gonna be okay Ash?

CHERYL: (popping up) Dead by dawn. You’ll all be dead by dawn!
ASH: Uh. Yeah Scotty. We’re gonna be fine. Perfectly fine. Well, we will be fine just as long as no one else in our party turns into a demon.

SHELLY: *(screams from the bedroom)* AHHHHHHHHHHH!

ASH: Fuck!

*(horn hits)*

SHELLY: Look who’s evil now!

SCOTT: *(spoken)* Not Shelly too!

SHELLY:
Oh my god, like look at me and my evil demon bod
Now watch me jam this high heel straight up your love rod
I’ll tear your body into shreds, and beat you with his balls
Then I’ll swallow up your soul without gaggin’ at all
I’m sexy
I’m cute
And so evil to boot
I’d kill you with these guns, but I don’t think they shoot

Now I’ll ask you a question

CHERYL: *(spoken)* Sing it!

SHELLY:
Not where or why or how
But WHO
Look who’s evil now?

SHELLY: Now Scott, since you were so kind as to take me on this trip, I’ve graciously decided that you’re going to be the first one I will take with me!
CHERYL: Do your thing girl!

SHELLY AND CHERYL: Join us, Join us, Join us, Join us...

SCOTT: Dude, grab the fucking gun! Shoot her! Shoot it!

*As Shelly gets closer and closer to Scott, Ash picks up the gun from the corner.*

ASH: I can’t shoot Shelly. She’s a friend of ours.
SCOTT: God dammit Ash, I picked up that skank drunk in a bar three days ago...

Ash throws the gun to Scott. Scott shoots Shelly.

SONG: WHAT THE FUCK WAS THAT

ASH & SCOTT:
What the fuck was that?

SCOTT:
Your sister has turned into a zombie

ASH & SCOTT:
What the fuck was that?

ASH:
Your girlfriend was a demon too

ASH & SCOTT:
What the fuck was that?

SCOTT:
She just ripped my pre-ripped Abercrombie

ASH & SCOTT:
What the fuck was that?

ASH:
I got some Shelly on my shoe.

ASH & SCOTT:
What darkness lurks beyond this wooded sanctum
What the fuck was that?

SCOTT:
Dude, these hoe’s been zombified!
I cannot stay here anymore. I’m getting out of here.

ASH:
No, we cannot leave, Linda’s ankle won’t make it I fear.

SCOTT:
I cannot stay – I killed my lay! I must go now.
ASH:
You can’t go now!

SCOTT:
I must!

ASH:
You can’t!

SCOTT:
Bitches out for blood – I can’t take this anymore.

*Singing simultaneously*

ASH:
We don’t even know if there’s a way back,
Except for that damn broken footbridge!

Just listen to me
Linda can’t walk.
Cannot hike.
Can’t even stand!

SCOTT:
Gotta go!!
Right now!
I’ll find a road
Where I’ll flag down a van!

No I won’t!
It’s time to go!
Then we’ll leave her, that’s our brand-new plan!!

ASH & SCOTT:
What the fuck was that?

ASH:
Scott don’t leave me all alone

ASH & SCOTT:
Necronomicon. The Book of the Dead.

ASH:
The chant –
SCOTT:
A curse –

ASH:
The chicks –

SCOTT:
I’m gone!

ASH & SCOTT:
What the fuck was that?
It’s the Evil Dead!

*Exit Scott. Slamming door.*
SCENE 8

CHERYL: I can’t believe you let him walk out on you like that... Scott free.

ASH: Shut up Cheryl.

CHERYL: Where’s he rushing to? I guess he’s Scott’s to go.

ASH: Shut up.

CHERYL: That Scott sure made like a tree... and left.

ASH: Stop it.

CHERYL: I was looking forward to biting into his flesh. The commercials say Scott’s is the softest tissue.

ASH: Oh come on, that’s awful.

ASH: I’m not going mad. I’m not. I’m not going mad.

CHERYL: Why don’t you just accept your fate and join us Ashley. Join us!

SONG: JOIN US

CHERYL:
Don’t you wanna join the crew
You’ll be dead and evil too
The coolest thing to do
Is join us

Your life sucks you know,
Working S-Mart’s gotta blow
Don’t be just a fuckin’ schmo
And join us

You’ll be dead with no remorse
And be hung like a horse
You can even bang a corpse
If you join us
Imagine all the fun
If to evil you succumb
So just lay down that big gun

(Satanically spoken) and join our dark army of evil Candarian Demons as we conquer this land and take over each and every soul of the living!

ASH: No. No. I’m not going to join you. Never!

CHERYL: What’s the problem Ash? Don’t you want to look beautiful, like me!

ASH: Beautiful like you? Please. I’d rather look like this moose!

ASH points to the Moose Head on the wall which springs to life.

MOOSE: Why thank you!!
ASH: The dead moose!

The moose bites his hand.

ASH: Ahhhhhh!

MOOSE: (laughing) Actually I’m a Candarian Demon Moose, and I’m here to tell you all about all the fun and excitement you’ll experience if you take us up on our offer and join us!

(sung) Can’t you see we’ll have a scream
Evil’s funner than it seems
You’ll play on our softball team
If you join us

Suddenly all of the cabin; the pictures, the books, the fridge... pretty well everything in the cabin—comes to life and moves with the music.

HOUSE SPIRITS:
Join us!

We’ll all have a ball
Organize a big pub crawl
And spend Sunday’s at the mall
If you join us

CHERYL:
You can speak our evil slang
Even grow some evil fangs
You’ll score some evil tang
If you join us

MOOSE:
Being evil is divine
You’ll be dead but so refined
Party like it’s ninety-nine

(Satanically spoken) If you join our evil forces as we enslave all mankind, chew on their tiny brains and bathe in their hot, bubbling blood!!!

ASH: AHHHHHH! All of you shut up! Especially you, Moose. Shut up!

CHERYL: Someone hasn’t been watching the Discovery Channel. Everyone knows once Moose get singing, they never shut up.

MOOSE: We never shut up.

ASH: That’s it! I’m Getting Linda and we are getting out of this place!

The door of the cabin slams shut and locks.

CHERYL AND MOOSE:
You can try and take a stand
But we have got your hand

ASH: What are you talking about?

CHERYL AND MOOSE:
It’s not quite what we planned
But now we’ve got your hand.

ASH: Why do you keep saying that?

CHERYL AND MOOSE:
We’ve got your hand,
Yes it’s true we’ve got your hand,
Yes we’ve finally got you hand
To join us.

The stuffed Beaver on the counter springs to life.

BEAVER: Ha ha!
ASH: What? You’ve got my hand to join you? No you don’t, you bastards. Why do you keep saying you got my hand to join you, huh? Why do you keep saying that?

*Hand attacks Ash.*

CHERYL: *(childishly)* We’ve got your hand! We’ve got your hand!

ASH: You bastards! You dirty bastards! Give me back my hand! Give me back my haaaaand!!!

Ash and his hand get into an elaborate fight. The walls and contents of the cabin start moving non-stop. After a long battle, Ash leads his hand to the kitchen where he grabs a chainsaw and cuts his hand off as blood gushes into his face.

ASH: Who’s laughing now, eh? Who’s laughing now?!?
SCENE 9

The woods. Annie and Ed are walking, lost.

ANNIE: It should be right around here, Ed.

ED: Maby –

ANNIE: You’re right. Maybe we should ask for directions. (to Jake) Excuse me, strange man wandering through the woods alone. Is this the road to the Knowby cabin?

JAKE: Firstly, I wasn’t supposed to be wandering these woods alone. I was supposed to be with my lovely wife Bobbie Jo. But I figured with that Cheryl girl getting attacked by trees and all; Bobbie Jo would have appeared a bit useless and redundant.

ANNIE: What did you say?

JAKE: Nothing.

ANNIE: Well, getting back on topic, is this the road to the Knowby cabin?

JAKE: That’s right. And you ain’t going there. (to ED) You neither.

ED: (giving up without a fight) Okay –

ANNIE: And why not?

Jake lights a match, which ridiculously lights the other half of the stage, revealing the destroyed bridge.

JAKE: The bridge is out.

ED: (quitting) It seems –

ANNIE: Ed’s right. There must be another way in. There’s got to be another road or something.

JAKE: Sure as hell ain’t no road. (to ED) Why the hell do you want to go up there for anyway? Huh?

ED: (about to tell him) Well –

ANNIE: That’s none of your business.
JAKE: Hey! I just remembered. Well, yeah... that's right. There is a trail. You could follow me. But it'll cost ya.

ANNIE: How much?

JAKE: (to Annie) Forty Fi – (to ED) Hundred bucks.

Ed makes for his wallet to gladly pay.

ED: Here –

ANNIE: Your right Ed. How do we know if this guy’s even reliable?

JAKE: (to Ed) Reliable! Why you no good, city-slicking, over-cologned, V-neck sweater-wearing son-of-a-gun, with your flappin’ lips and pompous-ass attitude! How do you know if I’m reliable?!?

SONG: GOOD OLD RELIABLE JAKE

JAKE:
Who’s the world’s most reliable human being?
Who’s the one folks call for help with everything?
Who’s the one man you count on when your life is at stake?
It’s good old reliable Jake.

Who can help you when you’ve lost your keys?
Or when you need double by-pass surgery
Who can be your partner in the two-man luge?
And who can sneak a dead hooker out your hotel room?

Wo’s every senior citizen’s favorite mime
And who can pass Courvoisier to Busta Rhymez?
Who was the inspiration for the Shamrock Shake
It’s good old reliable Jake.

Who invented the formula for Crazy Glue
And who’s nailed all the chicks on the View
Who was the last man to walk on the moon
And who won their fourth Oscar for directing Platoon?

Who’s the point guard for the Memphis Grizzlies
And who coined the phrase, “For Shizzle My Nizzle”
It was me can’t you see, I ain’t no fake
I’m good old reliable Jake!
Do you believe I can get you down that path?

ANNIE:
I believe

JAKE:
And do you believe that I can get you to the cabin?

ANNIE (over ED):
I believe

JAKE:
You need a guide to get you through them woods
And I know that trail and I knows it good.
You can trust in me there’s no mistake
I’m good old reliable Jake.

You can trust in me, there’s no mistake
I’m good old reliable Jake.

ANNIE: Really Ed? After all that, you still don’t think he’s reliable?

JAKE: God dammint!!! (about to pummel Ed – Annie holds him back) Now you no good city slickers follow me. I’ll take you to that dang cabin.
SCENE 10

We return to the cabin to find Ash duct-taping his stub. His severed hand is on the mantle.

ASH: Hand, we’ve had some good times together. I never thought it would end like this.

Ash turns and the hand pops up and runs across the countertop. Ash turns back thinking something is different but can’t figure it out.

ASH: Like I was saying Hand, you got me through more Friday nights then I’d like to admit.

The hand gives a masturbation movement.

ASH: Damn you Hand!

Ash tries to hit the hand and instead painfully bangs his stump. The hand runs off. Ash puts a trash can over it.

ASH: There is your new home.

The trash can runs away, Ash lifts it, holds it up to his face and the hand grabs his face. He throws the hands away.

CHERYL: You’re tougher than I thought Ash. Gotta hand it to you brother.

ASH: Shut up.

CHERYL: Let’s hear it for the boy. Let’s give the boy a hand.

ASH: Stop it.

CHERYL: What’s your favorite animal at the zoo? The handa bear?

ASH: Enough!

CHERYL: Okay, then... who’s your favorite cast member on Who’s the Boss? Tony Hand-za?

ASH: Tony Hand-za. That doesn’t even make sense!

Ash jumps on the cellar door. Scott barges in the door, bloodied.

SCOTT: Ash! Ash!

ASH: Oh my god!
SCOTT: Help me!

ASH: Scotty!

SCOTT: Dude, where’s your hand?

ASH: Don’t worry about it. Scotty! You’re going to be okay. You’re going to be just fine. You’ll see. What happened to you?

SCOTT: Ash. It’s not going to let us leave. We’re all going to die here!

ASH: No, we’re not all going to die! We’re going to get out of here. Now, the sun will be up in a few hours or so and we can all get out of here together. You, me, Linda, Shelly. Hmmm... Well... not Shelly, you shot her through the door – Now listen to me Scotty. Is there a way around that bridge? Scotty! Listen to me please for God’s sake! Scott! Is there a way around the bridge?

SCOTT: There’s a way. A trail. But the trees, Ash. They know. Don’t you see Ash? They’re alive! It won’t let us leave. Ash – death is a bitch. A stupid bitch.

Scott dies.

ASH: Scotty. Scott! NOOOO!!!

CHERYL: Ash, in all that commotion, it looks like I accidentally scratched your favorite Ray Parker Jr album.

ASH: NOOOOOO!!!

MOOSE: And by the way, Ash. I wasn’t going to say it earlier, but your pants look like they have a pretty nasty mustard stain on them. And if I know mustard stains like I think I do, that ain’t coming out.

ASH: NOOOOOOOOO!!! What else can go wrong today?

(horn hits, Linda enters a demon)

LINDA: Look who’s evil now!

ASH: NOOOOOO!

CHERYL: We got your girlfriend! We got your girlfriend!

ASH: Shut up, will you? Shut up! (in disbelief) No, not you Linda. Linda. Linda!
Ash shakes Linda. It doesn’t faze her, she starts laughing maniacally.

ASH (continues): Linda, come back. Come back.

Scott springs back to life.

SCOTT: Ash! Kill her! Kill her dude! She’s fuckin’ evil.

He dies again.

CHERYL: Kill her if you can, loverboy.

ASH: Now, forgive me Linda. I guess I gotta do what I gotta do.

Ash draws the gun on Possessed Linda and she returns to normal.

SONG: HOUSEWARES EMPLOYEE (reprise)

LINDA:
I have to ask a question to the gods above

ASH:
How can this be real?

LINDA:
How were we deemed worthy of this perfect love?

I’ll ask the trees. I’ll ask the sky. I’ll ask the whole wide world.

ASH:
A love so true and pure
A love to last for sure

LINDA:
How did a housewares employee land the perfect girl?

LINDA AND ASH:
How did the perfect girl land a housewares employee

ASH: I love you Linda.

LINDA: Please Ash... please don’t hurt me. You swore – you swore that we’d always be together. I love you.

Ash hears Cheryl’s regular voice through the closed cellar door.

CHERYL: Ashley. Ashley, help me. I’m all right now Ashley.

ASH: Cheryl?

CHERYL: Unlock this chain and let me out.

ASH: Cheryl?

Scott springs back to life with even more guts hanging out of him.

SCOTT: Don’t do it dude. She’s still a demon. Both of those bitches are. (noticing his guts sticking out of his stomach) Shit. Scott dies again.

ASH: Sorry Scotty. That is still my sister down there. I’m afraid I’m going to have to ignore your dying wish and open that cellar door.

The possessed Cheryl opens the cellar, grabs Ash, but he gets away and closes the cellar on her again.

SCOTT: (springing back to life) DUDE! I TOLD YOU SO! (looking at more guts) Fuck! (dies again)

CHERYL: (mockingly) I’m all right now Ashley! Come unlock this chain and let me out Ha ha ha! Dumbass!

ASH: Ah you bastards! Why are you torturing me like this? Why?

(horn hits)

LINDA: Look who’s evil now!

ASH: Nooo!

Ash turns and realizes that Linda is a demon again. Linda jumps on Ash’s back, attacking him.

LINDA: We’re going to get you. We’re going to get you. Not another peep. Time to go to sleep. We-ha ha ha ha ha ha!

Ash drags possessed Linda into the kitchen.
LINDA: Your lover is mine and now she burns in Hell!

SCOTT: *(jumps up again)* Dude! Fucking listen to me! Chop off her head. Fuck! *(dies again)*

ASH: I’m sorry Linda, I’ve got to do this. I’ve got to chop off your head.

LINDA: We’re gonna get you. We’re gonna –

*Ash takes an axe and chops off her head. He exits kitchen holding the head in one hand, the necklace in the other.*

ASH: I gotta admit Linda, this isn’t the type of head I was expecting from you this weekend. *(hanging her necklace on the wall)* I guess you won’t be needing this anymore.

LINDA: Not much of a necklace when you don’t have a neck.

ASH: You’re still alive?

LINDA: Alive and biting!

ASH: My hand. You’re biting my only good hand. Owwww! I said for you to die already. Don’t make me axe you again.

*Ash wrestles with this head biting his hand. Finally, he puts it on the countertop.*

ASH: You’re going down. Chainsaw.

LINDA: It’s useless. Useless.

*Linda’s headless body (a large guy who looks nothing like her) runs in with the chainsaw.*

LINDA: My body will get you. My body! I always told you I had a killer body!

*The body chases Ash with he chainsaw. Ash jumps over Scott – the body tries to follow, but trip on Scott.*

ASH: Now it’s time to die, you old hag.

LINDA: You found me beautiful once.

ASH: Honey, you got real ugly.

*Ash shoots the body with the gun.*
SONG: I’M NOT A KILLER

ASH:
I’m not a killer
I’m an S-Mart employee
And to kill a co-worker
Is against company policy

But you tried to kill me
So now I must say good-bye
I’m sorry Linda
But now you must die.

Die die die die die die die die die die die
Oh, die. Oh, die.

Ash takes the chainsaw to her head. Blood splatters everywhere.

Annie, Ed and Jake enter.

ANNIE: Daddy, I’m home.

ASH: This isn’t a bad as it looks.

CURTAIN

END OF ACT ONE
ACT TWO

SCENE 1

In a scene identical to the previous one, Ash is chopping Linda’s head with the chainsaw. But unlike the end of the last act, Linda’s real head is replaced by a mannequin head and the bodies in the corner are not there anymore.

SONG: I’M NOT A KILLER (reprise)

ASH:
Die die die die die
Oh, die. Oh, die.

Annie, Ed and Jake enter.

ANNIE: Daddy, I’m home.

ASH: This isn’t as bad as it looks.

JAKE: How in the fuck could this not be as bad as it looks?

ASH: Well sure, there’s one bloody dismembered head. But at least there’s not a huge pile of bodies in the corner anymore.

ANNIE: Oh my God! Where is my father?

Ed goes for Ash.

ED: What did –

Annie cuts him off and lunges at Ash instead.

ANNIE: What did you do to him? Where the hell is he? Oh, and now you ripped my shirt sleeve. (Annie rips off a part of her sleeve) You heathen! (She turns to Jake) Get this murderous beast out of my father’s cabin!

JAKE: Will do.

ASH: Wait a minute, Chief. Let’s talk about this.

Jake knocks Ash out with one punch.

ANNIE: I hope you rot out there.

*They throw Ash out the door and put a chain on it.*

ANNIE: Daddy? Daddy? Oh my god. Daddy? My father isn’t here. But these are his things. Where can he be?

*Annie plays the tape.*

PROF: *(on tape)* It’s only been a few hours since I’ve translated and spoken aloud the first of the demon resurrection passages from the Book of the Dead.

ANNIE: *(to ED)* Shhh... Listen up. This is my father’s voice.

PROF: *(on tape)* Now I fear that Candarian Demons have overtaken these grounds. May God forgive me for what I have unleashed unto this earth.

ANNIE: Candarian Demons?

ASH: Wahhhhhhhhhhh!

*Ash slams on the window trying to get back in. Tree branches are visibly hitting him.*

JAKE: What the hell is that?

ANNIE: Something’s out there with him!

ASH: Ah! Ah! Let me in! The trees! They’re alive! The trees are alive!

JAKE: The trees are alive!

ANNIE: Well of course the trees are alive, Jake, they are autotrophic organisms. But this is no time for a science lesson...

*The trees keep pounding Ash in the face.*

ASH: Let me in. Help me please!

ANNIE: Let him in.

JAKE: It’s a trick, I know it!
ANNE: Let him in.

*Annie opens the door, Ash runs in, wrestles with the trees a bit more, and shuts the door behind him.*

ASH: *(out of breath)* All right, no one goes out that door tonight. Also, whatever you do, don’t go near the cellar!

ED: The cella –

*Ed walks by the trap door, Cheryl opens the door. Cheryl attacks Ed, and he falls.*

CHERYL: I’ll get you Ash. I’m like a literal Hulk Hogan. I’ll get you brother!

ASH: Shut up!

CHERYL: We’re like that Columbia House 10 CDs for a penny club. Sooner or later, you’ll join us!

ASH: Shut up!

CHERYL: I’m like Dom Delouise at an all you an eat fish house – I’ll swallow your soul.

ASH: Shut up!

CHERYL: It’ll be like you were killed by some guy whose first name happens to be Don – you’ll be dead by dawn!!!

ASH: That’s it!

*Ash slams the cellar shut again.*

JAKE: What in the god damn is going on around here?

ASH: It’s an old tale. You’ve probably heard it a hundred times. Boy and his friends go on a week-long vacation in the woods. Three friends turn into Candarian Demons. One friend is killed by a forest of evil trees. Two demons are killed by their boyfriends respectively, while one stays in the cellar trying to kill everything in sight. Like I said, pretty standard stuff.

ANNIE: And do all these demons only speak in bad puns?

ASH: No, as far as I can tell she’s the only one who does that.

ANNIE: Yet she’s the only one you let live?
ASH: Yeah – sorry about that.

ANNE: (overly dramatic) The question now is... how do we stop this?

ASH: I have no idea.

JAKE: Well that’s god damn great.

ANNIE: My father would know how to stop it.

ASH: Well honey, your daddy ain’t here. So, the only thing we can do is stay put and ride this out ‘til dawn.

JAKE: That’s a shitty idea. I’m not staying in this shitty shithole ‘til morning. I’m going. I’m going to get on that there trail –

ASH: Nobody’s going out that door, not till daylight.

JAKE: Now you listen to me –

ASH: No, you listen to me.

JAKE: No, if one of us is going to be doing the listening... it’s you... listening to me.

ASH: No, no, no! When it comes to listening...
SCENE 2

(horn hits)

ED: Look who’s –

ANNIE: Oh my god – Look who’s evil now!

ED: Fuck!

JAKE: God damnit – run for your lives.

Annie and Jake scream and run for the door.

ANNIE: Ash, run.

ASH: I don’t think so.

ANNIE: You’re not scared?

ASH: Not at all. You see, whenever you encounter a flock of deadites, you have to realize there is a hierarchy about the whole thing.

ED: Grrrrr!

ASH: Simmer down there, buddy. There’s the big-time demons who pose a serious threat and then there’s what I like to call ‘bit part demons.’

ANNIE: ‘Bit part demons?’

ASH: Yes, yes. Bonafide extras. Nothing special about them. They pretty much wait around for you to kill them. They’d never kill a guy like me... the main man... the hero, if you will. It’s just not how these stories tend to go. And that ‘s who you are buddy, a bit part demon S excuse me for not being scared.

CHERYL: (opening cellar door) And I’m not one to agree with the living. But Ash is right. You are a bit player in this whole thing. You’d never kill a guy like him. Never.

ASH: Right. You see?

ANNIE: That’s not fair. He’s not a bit part demon.
ASH: Come on. He hasn’t even spoken more than three words all night. We don’t even know his name.

ANNIE: His name is –

ED: It’s Ed. Well, Evil Ed now. And you don’t have to defend me Annie – they’re right. They’re completely right...

**SONG: BIT PART DEMON**

ED:
I’m that guy you see
In every horror flick,
You wouldn’t remember me
I come and go too quick.

You wouldn’t know my name
I hardly even speak a line;
If the hero kills a hundred demons,
I’d be the forgettable number thirty-nine.

Cause I’m a bit part demon
A small-time misfit;
I’d say you’ll be dead by dawn;
But I don’t really mean it.

I’m a threat to no one,
The other deadites make fun
Of me –
Evil Eddy,
The bit part demon.

ANNIE: *(spoken)* But don’t you see, Ed. We’ve been listening to you talk for the past two minutes. You’ve said a whole lot just now... just you. You’re not a bit part demon anymore. You’re a lead player. A star.

ED: *(spoken)* You’re right! *(sings)*

Now I see
That this trend has been disrupted
I’ve said more than five words
Without being interrupted

I’m a bit part no more
My characters had a swing
Now it’s time for this demon
To sing, sing, SING!

*Ed grabs top hat and cane.*

I...

*Before he can rock out – Ed is shot dead by Ash. He falls on the side of the stage and remains there for the rest of the show.*

ASH: Now you’ll have a bit part... in hell.
SCENE 3

ANNIE: Ed! Oh Ed! *(wailing)* ED!!!

ASH: Are you still mourning over that half-wit? Get over it, woman.

ANNIE: My boyfriend just died three seconds ago.

ASH: I know. It’s time to move on with your life. That’s why –

ANNIE: But he was –

ASH: Hey, don’t interrupt me.

ANNIE: But he –

ASH: I said don’t interrupt me. Listen baby, I’m not some preppy boy toy monkey boy you can just push around, see. I killed that guy already.

ANNIE: How can you be so heartless? So bad?

ASH: Good... bad... I’m the guy with the gun.

ANNIE: I still don’t know what you’re even doing here in this cabin!

ASH: I could ask you the same question.

ANNIE: It’s my family’s cabin.

ASH: Did I ask?

ANNIE: Are all men from Michigan such loud-mouthed braggarts?

ASH: Nope. Just me baby... Just me.

*Jake is ignoring this argument, staring out the window.*

JAKE: That’s funny.

ASH: What?

JAKE: That trail we came in here on. It just ain’t there no more. Like, like the woods just swallowed her up.
ASH: How many times do I have to tell you? Those woods have a mind of their own. They’re evil. That’s why we can’t go out there. Not ‘til dawn.

ANNIE: Listen to him, Jake.

JAKE: What the... you mean you believe this psycho and his hoo ha jibber jabber?

ANNIE: Sure, he might have broken into my property, killed my boyfriend, and possibly killed my father... but for some reason, I trust him.

JAKE: *under his breath* Oh for fuck’s sake!

SFX: Crickets.

ANNIE: It’s so quiet.

SFX: Loud, crazy sounds.

JAKE: What in the blue hell was that?

ASH: Maybe something trying to force its way into our world?

ANNIE: That’s exactly what I think every time I hear a weird noise.

JAKE: It came from over there.

ASH: We’ll all go together.

JAKE: Hell no, you’re the curious one.

Ash heads towards the door.

ANNIE: Hey. I’ll go with you.

Annie joins Ash. Jake follows behind, not wanting to be alone.

JAKE: Shit, I told you there weren’t nothing out there no how.

Then a spirit appears to be a big lighting effect, which then builds up to... the ghost appearing with a flashlight under his chin.

JAKE: Holy Mother o’ Mercy. It’s a ghost.

ANNIE: It’s my dad.
ASH: It’s a ghost dad!

ANNIE: Daddy!!

SPIRIT OF KNOWBY: Annie. There is a dark spirit here that wants to destroy you. Your salvation lies there. In the pages of the book. Recite the passages. Dispel the evil. Save my soul. And your own lives!

*The ghost disappears.*
SCENE 4

ASH: That as weird.

ANNIE: My father... he’s...he’s dead.

ASH: Yeah, sure seems that way.

ANNIE: He’s dead. Gone. He’s...he’s... I can’t believe this is happening again. I just can’t believe this is happening again.

ASH: What’s happening again?

ANNIE: Well if you insist on prying, lately, I’ve been noticing somewhat of a trend in my life, and every time I think it’s about to go away, it creeps in again.

ASH: What could possibly be wrong?

ANNIE: Well, all the men in my life keep getting killed by Candarian demons.

ASH: What was that?

ANNIE: I said...

SONG: ALL THE MEN IN MY LIFE KEEP GETTING KILLED BY CANDARIAN DEMONS

ANNIE:
All the men in my life
Keep getting killed by Candarian Demons.

ASH: All the men in your life keep getting killed by Candarian demons?

ANNIE:
First there was Ed
A really nice guy
Didn’t talk too much
But I didn’t mind

I was all set
To marry him
But before we could consummate
Ed was killed
By a Candarian Demon.
ASH AND JAKE:
Candarian demon, Candarian demon, Candarian demon.

ANNIE:
Then there was daddy

ASH AND JAKE:
Daddy

ANNIE:
Who I could count on

ASH AND JAKE:
Ah-ooo

ANNIE:
He loved to read the Necronomicon

ASH AND JAKE:
Book of the Dead

ANNIE:
He also enjoyed

ASH AND JAKE:
Ah-ooo

ANNIE:
Playing board games

ASH AND JAKE:
Good family fun

ANNIE:
But he can’t sink my battleship now
Cause Dad was killed
By a Candarian Demon

ASH AND JAKE:
Candarian demon, Candarian demon, Candarian demon

ANNIE:
They say love is cruel,
And I believe them
My heart’s always broh-hoho-ken
Cause the men in my life
Keep getting killed by Candarian demons.

ASH: Annie, baby, I know it seems bad now. It always does. But I think you’re exaggerating a touch, sugar bee. I mean, sure your father and fiancée were killed by Candarian Demons, but that’s only two men, isn’t it? I mean there’s no way that ALL of the men in your life could have been killed by Candarian demons.

ANNIE: Oh no?

It was High School

ASH AND JAKE:
High School

ANNIE:
Senior Prom

ASH AND JAKE:
Oh yeah

ANNIE:
Going with my steady
Howie Brahm

ASH AND JAKE:
Howie Brahm

ANNIE:
A perfect night

ASH AND JAKE:
Howie Brahm?

ANNIE:
Like I always dreamed

ASH AND JAKE:
Little girl’s dream

ANNIE:
But when Stairway to Heaven began
Howie was killed by
ASH AND JAKE:
Damn

ANNIE:
A Candarian demon

ASH AND JAKE:
Candarian demon, Candarian demon, Candarian demon

ANNIE:
All of my college boyfriends, and my one-night stands
My male co-workers, and platonic gay friends
Every date I go on ends in demon bloodshed
And now that I’ve met you two guys, I know you’ll

ASH and JAKE: What the fuck!?!?

ANNIE:
They say love is cruel,
And I believe them
My heart’s always broh-hoho-ken
Cause the men in my life
And I mean all the men in my life
Every single man in my life
Keeps getting killed
By Candarian demons

ASH AND JAKE:
Candarian demons.
SCENE 5

ANNIE: Don’t you think it’s a bit inappropriate to be touching me “there” right now?

ASH: Baby, I ain’t touching nothing.

Annie looks to Jake. He holds up his hands to show her it’s not him. Annie then turns and looks down to see the severed hand is latched on to her ass.

ASH: God dammit, my hand again!

Ash grabs the hand and tosses it through the kitchen bay window. It appears on the window ledge and gives her the finger and runs off.

ANNIE: Ew. Gross. Who knows where that hand has been.

ASH: Luckily, I do know where that hand has been... but it’s still pretty gross.

JAKE: That’s it! I’m getting outta here. And with all this weird shit going on, I ain’t going alone; you two are coming with me.

ASH: If you’re talking about going back out in those woods, you can forget it. You heard the ghost. Annie’s got to translate those passages.

JAKE: Dammit.

ANNIE: Okay, as far as I can decipher there are two separate passages. One to manifest the evil forces in the flesh, and another to transport them through a rift in time and space.

ASH: It sue is lucky you not only showed up with these pages imperative for our survival, but you also know the lost language required to translate them as well.

ANNIE: Well Ash, if it’s any consolation, I think we’re pretty lucky you’re here to shoot things for us. I guess together we make a pretty good—

As they get closer, Jake shoots the gun in the air.

JAKE: That’s right lovebirds! I’m running the show now. And guess what? We’re going to go out there in them woods and head home. And I told you I wasn’t going alone.

ASH: You idiot. Those woods mutilated my sister, killed my best friend, and with your own eyes you saw them brutally attack me. Why do you keep insisting on going out there?

JAKE: I’ve got no time for your “common sense.” We’re getting the hell out of here, all of us.
ANNIE: Don’t you understand? With these pages, at least we have a chance.

JAKE: Bunch of mumbo jumbo bullshit! These pages don’t mean squat.

Jake grabs the pages from Annie and throws them in the cellar.

ANNIE: Now that was just stupid.

JAKE: Besides, now you city slickers ain’t got no choice. Now move! Move.

ASH: Look. You’re nuts.

JAKE: I said move!

ANNIE: No, you stupid fool.

JAKE: I’ll blow your fucking head off. I’m your leader now.

ASH: Well hello Mr. Fancy-Pants. I got news for you pal; you ain’t leadin’ but two things right now. Jack and shit... and Jack left town.

JAKE: Oh really – ya’ bastard!

Jake slams Ash with the gun, knocking him to the floor.

ANNIE: Now what did you do that for? And look, now I have another rip in my outfit. (Annie rips more of her outfit off)

JAKE: Boo hoo. Guess you and this jackass will just have to go down to Old Navy and buy yourself a new one.

(horn hits)

Ash pops up, possessed.

ASH: Look who’s evil now!

JAKE: Shit!

Ash attacks Jake, putting him in a headlock and dragging him outside. Annie puts the chain on the door. Ash pops through the door trying to reach her.

ASH: Join us!
Annie slams the door on him. The door slams then begins to slam open, but it is unclear who is slamming it.

ANNIE: You won’t get me Ash! You’ll never get me Ash!

Annie then sees the dagger, picks it up, unlocks the chain and stabs through the open door.

ANNIE: Take that...

Jake then walks in the door, as it turns out Annie accidentally stabbed him in the stomach.

**SONG: ODE TO AN ACCIDENTAL STABBING**

JAKE:
God damn you woman
You fucking stabbed me
God damn you woman
Do I look like a fucking zombie?

ANNIE:
It was a mistake
what can I do to prove I am sorry

JAKE:
Well, in the future I’d appreciate it if you could
(yelling) not fucking stab me!

Singing simultaneously

JAKE:
God damn you woman
You’re really got me pissed
God damn you woman
This hurts like a son of a bitch.

ANNIE:
I didn’t mean to hurt you
Or make you bleed
I’ll make you feel better
Would you like some Tylenol Pepcid AC?

JAKE:
Woman look what you’ve done
I’m bleeding all over the fucking room
ANNIE:
Then take this cloth *(ripping her clothes)*
And apply pressure to your wound

JAKE:
Bitch, get me somewhere safe
That thing’s still out there in them trees

ANNIE:
No one can hurt you here

CHERYL:
*(pooping out of the cellar)* Well, no one but me.

Come here fatty!

JAKE:
God damn you woman!

*Jake is dragged into the cellar. Cellar door slams for the big finish of this number.*

ANNIE: Jake...

*The cellar flies open again and blood shoots out and all over Annie to a big musical hit – then slams shut again.*

*Evil Ash bursts back into the cabin.*

ANNIE: Please Ash – no! Please. No.

*Ash stalks towards Annie, and then sees the necklace on the wall. He is drawn to it.*

SONG: HOUSEWARES EMPLOYEE *(piano reprise)*

*Annie picks up the axe. Ash weeps then returns to his original human state.*

ASH: Oh, Linda! *(Annie swings the axe at him)* No! No wait! Listen to me! I’m all right now. That thing is gone!

*She swings the axe at his head.*

ASH: Dammit! I said I was all right! Are you listening to me? Do you hear what I’m saying? I’m alright! I’m alright. Seeing my girlfriend’s necklace made me alright.
ANNIE: But your girlfriend wore that necklace and she was still a Candarian demon.

ASH: I know, it seems a bit inconsistent. But trust me. I’m alright.

ANNIE: Okay, maybe you are. But for how long? If we’re going to beat this thing, we need those pages.
SCENE 6

The cellar door swings open, and it’s Cheryl holding the pages.

CHERYL: These pages? You need these pages? I’ll kill you before you ever get your hands on them. I’ll kill you Ash. I’ll kill you.

ASH: Cheryl, I’m getting sick of you trying to kill me. See this? This is my boomstick! It’s a twelve-gauge, double barreled Remington, S-Mart’s top-of-the-line. You can find this in the sporting goods department. That’s right – this sweet baby was made in Grand Rapids, Michigan. Retails for about one o’ nine, ninety-five. It’s got a walnut stock, cobalt blue steel and a hair trigger. That’s right. Shop Smart. Shop S-Mart. Ya got that?!

CHERYL: I’ll swallow your soul.

ASH: Swallow this.

Ash shoots her and she falls down. He pulls the pages from her hands & slams the cellar door shut, as triumphant music swells.
SCENE 7

Annie tries to run to him, but as she tries to move, her shirt gets stuck in the door.

ANNIE: My skirt is stuck. Oh screw it.

She forces herself through ripping a ridiculous portion of her outfit and leaving her in a finely perfectly cut very revealing outfit.

They go in for the kiss...

ANNIE: Are you sure this is appropriate? I mean my boyfriend just died twenty minutes ago. And your girlfriend died only ten minutes before that.

ASH: We can’t grieve forever.

ANNIE: You’re right.

They go in for the kiss, and separate before they do.

ANNIE: Ash, wait. I think it’s time we read the passages from the pages I found.

ASH: Of course.

In his disappointment, Ash phallically un-cocks his gun to the sound of a slide whistle.

ASH: Dispel this evil once and for all.

ANNIE: Okay, there are two separate passages. Recitation of the first passage will make the dark spirit manifest itself in the flesh.

ASH: Why the hell would we want to do that?

ANNIE: Because we have to. But be warned, once awakened the evil will conduct a ceremonial war ritual to honor the Necronomicon.

ASH: A ceremonial war ritual from hell...not looking forward to that. That’s going to be hellish...guaranteed.

ANNIE: After the ritual is complete, recitation of the second passage will create a rift in time and space that we will try and force the evil back through. But Ash, if anything happens to go awry during the reading of these passages, we have to be prepared... That’s why you’ll need this.
Annie hands him the chainsaw.

ASH: Groovy!

ANNIE: Okay... here goes. “Nos veratos alamemnon conda.”

The cabin becomes dark as the demons return.

Demons: Conda...Conda...

**SONG: DO THE NECRONOMICON**

**CHERYL:**
Now we honor the Necronomicon.

**CHERYL, LINDA:**
Now we honor the Necronomicon.

**CHERYL, LINDA, ED:**
Now we honor the Necronomicon.

**CHERYL, LINDA, ED, JAKE:**
Now we honor the Necronomicon.

**SCOTT:**
Now we honor the Necronomicon with our very own special dance.

ASH *(spoken)*: How the hell do demons do their very own special dance?

**SCOTT:**
In hell we dance our own special way
Let’s show ‘em how ya dance while your body decays

**LINDA:**
Do we bounce like backstreet?

**SCOTT:**
Not without a heartbeat.

**JAKE:**
Do we grind like Michael Bivens?

**SCOTT:**
Bell Biv Devoe be for the living.
CHERYL:
Do we whoomp like Tag Team?

SCOTT:
Not without a bloodstream.

ED:
Let’s Macarena like that group did.

SCOTT:
No – that’s just stupid.

ALL:
Deadites always like to get their freak on
And when we get together we do the Necronomicon
Do the Necronomicon
Do the Necronomicon
Come on come on and do the Necronomicon

SCOTT:
You gotta follow the moves right to the letter
It’s just like the Time Warp
Only better!

DEADITES:
First we jump
Then we sink down
Then we get back up
And lasso all around

Then we spin
Clap our hands
And take a brief moment
to acknowledge the band

Do the robot
And the sprinkler
And finish it off with
Our best Henry Winkler (hey)

Deadites always like to get their freak on
And when we get together we do the
Necronomicon
Do the Necronomicon
Do the Necronomicon
Come on come on and do the Necronomicon

LINDA:
Can we kill these suckas yet?

SCOTT:
Just wait a little bit

JAKE:
Can we beat ‘em with a shoe?

SCOTT:
Not ‘til we’re done the tune

CHERYL:
Can we mutilate these fools?

SCOTT:
No, follow the rules.

ED:
I say attack.

SCOTT:
What are you, on crack?
After our dance we’ll attack our old friends
But before we do that let’s Necronomicon again

DEADITES:
First we jump
Then we sink down
Then we get back up
And lasso all around

Then we spin
Clap our hands
And take a brief moment
to acknowledge the band

Do the robot
And the sprinkler
And finish it off with
Our best Henry Winkler (hey)
Deadites always like to get their freak on
And when we get together we do the
Necronomicon
Do the Necronomicon
Do the Necronomicon
Come on come on and do the Necronomicon.

ASH: How do we stop this horrible dance? I can’t take another bad Henry Winkler impersonation. (to demons) That’s your BEST Henry Winkler?

ANNIE: I only completed the first of the passages and that was to make the evil a thing of the flesh! They’re dancing now, but soon they’ll attack and take over all of mankind.

ASH: Then finish it! Quick!

ANNIE: There’s still the second passage. The one to open the rift and send the Evil back!

ASH: Well start reciting it! Now! Finish the passages! Get rid of it!

ANNIE: Conda nostrt – AHHHHH!

Ash’s loose hand stabs Annie with a dagger.

ASH: No!!! My hand again. Damn you hand.

ANNIE: I’m dying Ash.

ASH: No Annie, don’t die. I can’t destroy this evil without you.

ANNIE: You can Ash. You can. It’s time for you to stand on your own. It’s time for you to fight. It’s time...

Annie dies in his arms.

**SONG: IT’S TIME**

ASH:
It’s Time,
To fulfill my purpose
In Life
We are born with a destiny
It's Time
To accept my calling
To Go
On a ravenous demon killing spree!

It's Time to finally take a stand
Fight with my stump and my good hand
Stop talking trash
And kick some demon ass
It is time

SCOTT (spoken): Oh, it's time Ash, but not for what you think...

DEADITES:
It's Time for you, Ash to die
It’s Time for us, Zombies to rise
It’s Time for you to say goodbye
It’s time for...

ASH:
Oh, It’s Time
Time to hurt demon feelings
Inside
These here walls, there can be only one

Singing simultaneously

ASH:
It’s time
To increase demon bleeding
Tonight
You will die by the saw or the gun

Time to harass
Time to whoop some ass
Time to kill demons en mass
Oh it’s time

DEADITES:
Time to fight.
Time to brawl
Time to kill.
Time to maul.
Kick you square in the balls.
It’s time to rip you to tatters
Time to make your blood splatter
Through the shed
Join the evil dead
It is time

ASH:
You know that I’m right!
I’m not dying tonight, it’s a Holiday!
When I’m in despair
I adjust my hair and make evil pay
At the edge of the night,
There’s not a deadite I can’t handle!

DEADITES:
Handle!

ASH:
When danger calls,
You must have the balls of an ox, or a bear, or any
Large mammal!

DEADITES:
Any large mammal! Yeah!!

Singing simultaneously

DEADITES:
It’s Time for you, Ash to die
It’s Time for us, Zombies to rise
It’s Time for you to say goodbye
It’s Time for...Oh, it’s time.

ASH:
Is that so?
I think no!
Alright, let’s go!
Oh, It’s Time!!!

Ash then goes on the attack, one by one taking out all the demons and killing them in methods, one bloodier than the last.

After Ash has killed them all he is triumphant, and then the music turns evil and all of the demons who Ash just killed, come back to life.

**SONG: WE WILL NEVER DIE**

**DEADITES:**
You must realize
We will never die
We’re already dead

We’ve died twice before
But, we’re back for more
You can’t stop the dead

You can’t kill the killed and you can’t pass on the passed
Now we’ll take that chainsaw and we’ll shove it up your...

**ANNIE (springing to life):** ASH!!!!!

*Annie’s scream brings the music to a screeching halt.*

ASH: Annie, you’re sprung back to life. Seems to be happening a lot around here lately. Finish reciting the passages Annie. Send these demons back to hell!

**ANNIE: Conda Conda Nosperoto ... DEMONTO!!!!** *(Annie dies)*

*The demons then start getting sucked through the door.*

ASH: You did it kid. You did it!!! Annie! *(realizing she’s dead)* Annie! Annie! No!!!!

**BLACKOUT**
SCENE 8

ASH (voice over): So, with her dying breath, Annie read the passages, sent the Candarian demons back to hell, and together we finally put a stop to this unspeakable evil.

*The curtain opens to reveal Ash is now at S-Mart surrounded by random customers (the previous actors in bad wigs and moustaches.)*

ASH: And that loyal S-Mart customers is how I saved all of mankind.

MAN 1 (JAKE): And after saving all of mankind you came directly to work here at S-Mart?

ASH: No, I didn’t come directly to work here at S-Mart. There was a brief period where I was sent back to Medieval Times and the people worshipped me as their king... but that’s another story.

WOMAN 2 (LINDA): Wait, if Annie died in the middle of reading the passages, are you sure she said all the necessary words to dispel the evil correctly?

ASH: Well maybe she didn’t say every single tiny little syllable, no. But, basically she said them yeah... basically.

MAN 2 (SCOTT): Well all I can say is... wow... that story... is the biggest crock of shit I’ve ever heard in my life.

MAN 3 (ED): I come here to buy a blender and I gotta listen to this crap.

*They all start cracking up.*

MAN 1 (JAKE): I say we ignore this asshole and get back to our savings.

ALL: Yeah.

WOMAN 2 (LINDA): You know that story about how you saved the earth from demons?

ASH: Yeah?

WOMAN 2 (LINDA): I... ah... think it’s kinda cute.

ASH: Oh, yeah?

*POSESSED WOMAN (ANNIE) turns around and IS a demon.*

*(Horn hits)*
A huge burst of wind nearly knocks over all the customers in the store.

POSSESSED WOMAN (ANNIE): Look who’s evil now.

MAN 2 (SCOTT): Holy fuck!

The customers in the store freak out. The possessed woman grabs a baby and attempts to spike it.

WOMAN 1 (CHERYL): That’s my baby!

Ash grabs a gun off the shelf in the commotion, still with the price tag hanging from it. Ash shoots the gun in the air.

ASH: Lady, I’m afraid I’m gonna have to ask you to leave the store.

POSSESSED WOMAN (ANNIE): Who the hell are you?

ASH: Names Ash... housewares.

POSSESSED WOMAN (ANNIE): I’ll swallow your soul!

ASH: Come get some.

Ash shoots the POSSESSED WOMAN three times. She goes off stage and flies in the air.

MAN 1 (SCOTT): That bitch is flying!

ASH shoots her again and the baby lands in his hands.

ASH: So, do you screwheads believe I can save you from Candarian demons now?

SONG: BLEW THAT BITCH AWAY

SCOTT:
We thought that you were fucking with us

JAKE:
We thought you were a lying prick

CHERYL:
All that jive about you killing demons
ED:
It sounded like bullshit

SCOTT:
But apparently you weren’t talking smack

CHERYL:
Cause we saw that evil chick

LINDA:
She was going to eat us

JAKE:
And severely beat us

SCOTT:
Til you shot her in the tits

JAKE:
That’s right you saved us

ALL:
You saved our lives

CHERYL:
You saved me, and my baby and these Ginsu knives

ALL:
You saved us all

ED:
You’re the baddest motherfucker in this whole strip mall

ALL:
We thought you were a phony on some mad tirade
But now we see that you’re a hero and you saved the day
Because you blew that bitch away
ASH!

ASH:
Well I told you I could kill these demons
And none of you believed me
ALL:
No no no yeah

ASH:
That’s why you’re merely customers
While I’m an S-Mart employee

ALL:
Yeah yeah yeah oh yeah

ASH:
Cause I kill what looks even slightly evil
Who knows who the next victim will be

ALL:
Not me

ASH:
Cause I shoot

ALL:
Shoot

ASH:
And kill

ALL:
Kill

ASH:
And saw

ALL:
Until

ASH:
We need a clean-up on Aisle 3

ALL:
You are the man

ASH:
I bitch slap evil with my one good hand
ALL:
You’re our hero

ASH:
I shake down deadites like they owe my dough
I saw that demon trying to ruin your shopping day

ALL:
Shopping day

ASH:
So I grabbed my twelve gauge and blew her away

ALL:
Blew that bitch away

JAKE:
That’s right you blew

ALL:
Blew that bitch away

JAKE:
You blew that bitch away

ALL:
Blew that bitch away

JAKE:
You blew her to smithereens

ALL:
Blew that bitch away

JAKE:
You blew her like a drunk teen

ALL:
Blew that bitch away

ALL & JAKE:
Blew that bitch away
ALL:
We use to fuckin hate you and your lying ways
But now we’ve changed our minds and think you’re okay
Because you blew that bitch away

Blew that bitch away
Yeah!

BLACKOUT

THE END
