

STINKYKIDS THE MUSICAL

Character Descriptions

BRITT (F)

A people-pleasing mediator type who usually puts others first, she never gets in trouble but she walks on the wild side for the first time, learning how depend on her friends and that it's okay to make a mistake.

JEN (F)

The princess of the group. Passionate yet self-centered, she has a big heart. Desperately fighting with Hannah to be Britt's "BFF."

HANNAH (F)

Savvy and sassy friend of Britt's, she's always trying to outsmart Jen to become Britt's official "BFF." Ethical but bossy, she has an artistic streak.

MAX (M)

Athletic, the literal minded "heart" of the group. The reactive straight man to the zany antics. Often repeats advice from his buddy at the retirement center where he volunteers.

JOHNNY (M)

Impulsive yet endearing, the prankster who loves to make 'em laugh. The most "larger than life" one in the show.

BILLY (M)

A brainy and creative inventor. Resourceful yet cunning, he competes with Max in sports.

All characters are 6 years old (except Hannah, who's proud to be 7), and should be played as honestly as possible, just be kids and try not to "act" like kids.
